

Wings Over Willapa Festival 2022

Thursday September 22

TAKING FLIGHT WELCOME SOCIAL

When: Thursday 5:30-8:00pm

Where: The Salt Hotel and Pub, 147 Howerton Ave, Ilwaco

Limit: 49

Cost: Free

Description: The Friends of Willapa National Wildlife Refuge (Friends) will kick off the annual Wings Over Willapa Festival on Thursday Evening September 22, at the Salt Hotel and Pub from 5:30pm to 8:00 pm. They are hosting a Welcome Social called Taking Flight. It will allow participants to mingle with each other and meet some of our local Artists who will have their work on display. The Salt Hotel and Pub will provide a cash bar and you can order from their menu. A great opportunity to get to know your fellow nature lovers, birders, artists, and many of the Friends staff.

Wings Over Willapa Festival 2022

FRIDAY September 23

LEADBETTER ADVENTURE

When: Friday 8:00-11:00am

Where: Oysterville Road Beach Approach in Ocean Park

Limit: 10

Cost: \$10

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Join the staff of Willapa National Wildlife Refuge for an exciting journey to the tip of the Long Beach Peninsula along to Leadbetter Point. This is a wild place with limited human access that creates a sanctuary for wildlife, rare plants, and hundreds of bird species, including the federally threatened western snowy plover and streaked horned lark. Bald eagles and peregrine falcons are often seen. Fall migration also brings dizzying concentrations of shorebirds to refuge shores. Participants will travel in 4x4 vehicles on the beach north from Oysterville Approach to the geographic tip of the peninsula. The guided tour will include opportunities for learning about the local ecology and ongoing habitat restoration activities.

- Participants must be able to get in and out of four-wheel drive vehicles.
- Participants must be able to walk in loose beach sand and uneven terrain for short distances.

Leader: Will Ritchie, Wildlife Biologist and Jennifer Orellana, Biological/Visitor Services Intern at Willapa NWR

Wings Over Willapa Festival 2022

WILDLIFE TRACKING

When: Friday 8:30-10:30am

Where: Willapa NWR – Leadbetter Point, northern most parking area on Stackpole Road

Limit: 12

Cost: \$10

Description: Join Kristi Freese, a Level 3 Wildlife Tracker, for a wildlife tracking hike at Leadbetter Point in Willapa National Wildlife Refuge. Kristi will provide a short presentation on tracking and you'll set off along the shoreline of Willapa Bay to identify tracks of recent birds and mammals such as Sanderlings, Great Blue Herons, racoons, deer, and many other local wildlife species. Bring binoculars as there will be birding opportunities along the way.

- Washington State Discover Pass required for parking.
- This trip is rated as an easy hike along the shoreline of Willapa Bay. Terrain maybe uneven and wet.

Leader: Kristi Freese, Level 3 certified tracker CyberTracker International and Tracker Certification North America

BIRDING BASICS: FINDING FOCUS

When: Friday 8:30-11:30am

Where: The Salt Hotel & Pub

Limit: 15

Cost: \$10

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: For beginners, identifying birds can seem overwhelming. Where do I start? What do I look at? Instinctually, most people gravitate toward noting the size and color of a bird. In this presentation at the Salt Hotel & Pub and follow up field trip around the Port of Ilwaco, professional bird enthusiast Ram Papish, will examine all the factors that aid identification.

Easy 1-2 mile walk on pavement.

Wings Over Willapa Festival 2022

Leader: Ram Papish is a tour guide, naturalist, environmental educator, and wildlife illustrator.

WAVES, TIDES AND CURRENTS WALK

When: Friday 10-11:00am

Where: Seaview Beach Approach on 38th Place in Seaview

Limit: 20

Cost: \$5

Description: Explore the windswept beach ecosystem at the mouth of the Columbia River on this easy 1-hour walk with Interpretive Specialist Aaron Webster. We'll learn about how waves, tides, and currents combine in surprising ways to make this one of the most dangerous stretches of ocean on the planet. With views of the ocean, river mouth and dunes, this hike offers ample birding opportunities.

Easy 1 mile walk on wet sand.

Leader: Aaron Webster, Interpretive Specialist at Washington State Parks

Wings Over Willapa Festival 2022

ELUSIVE, WILD CATERPILLAR SPOTTED

When: Saturday from 11am-12pm

Where: Willapa NWR Headquarters

Limit: 20

Cost: Free

Description: The size of this comma: , . That is the size of a newly hatched Oregon silverspot butterfly caterpillar. Finding this tiny federally-threatened caterpillar in the wild would be next to impossible – the ultimate little brown needle in a giant meadow haystack. However, if we could find them, then a door will be opened to a previous unknown understanding of at-risk pollinator species and prairie habitats. A conservation team comprise of Federal, University, State, non-profit and private partners – including Willapa National Wildlife Refuge – is making headway to start opening that door. Learn more about conservation projects linked to your coastal Washington backyard.

Leader: Samantha Derrenbacher, U.S. Fish and Wildlife Biologist

DISCOVERING LONG ISLAND

When: Friday 11am-4:30pm

Where: Willapa NWR - Cutthroat Creek (3888 Highway 101 Ilwaco, WA) located north of mile marker 24 on Highway 101

Cost: \$25

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Looking for a longer hike and more time to discover Long Island, the largest estuarine island on the Pacific Coast and the ancient Cedar Grove with trees almost 1000 years old? Participants will be shuttled in small groups by boat from the Cutthroat Creek boat launch to the island every 30 minutes at 11:00am, 11:30am and 12:00pm. The last boat shuttle back from the island will be at 4:30pm. Once on the island, hike at your own pace 6 miles roundtrip through the heart of Long Island and the Ancient Cedar Grove, one of the last remnants of old growth coastal forest in southwest Washington. Discover information along the way from local experts.

Wings Over Willapa Festival 2022

- Participants must be able to walk on uneven terrain over a long distance (6 miles round trip). Trail is rated at moderate difficulty with some steep hills, exposed roots, etc.
- All participants MUST wear a Personal flotation device (PFD) on the boat. If you don't have a PFD, the Refuge will have some available.
- Wear all-weather clothing and appropriate footwear.
- Encouraged to bring water, snacks, binoculars, camera, and insect repellent.

Leader: Dawn Harris, Visitor Services Manager & Hope Presley, Visitor Services Specialist at Willapa NWR Complex

FROM FLOWERS TO FEATHERS

When: Friday 1-2:30pm

Where: Willapa NWR Refuge Headquarters, 7112 67th Place, Long Beach

Limit: 20

Cost: Free

Description: Is your garden or landscape optimized to attract our feathered friends? No matter how large or small, your yard and garden can support high-value habitat for birds, pollinators, and their food chains within the ecosystem. Come learn how to enhance (or transform!) your property with plantings and hardscape to better support the sheltering and nourishment of our winged visitors. Kelly Rupp, a local WSU Master Gardener, will share practical perspectives and inspiration to “just do it” for the birds!

Leader: Kelly Rupp, Washington State University Master Gardener

Wings Over Willapa Festival 2022

ELLSWORTH CREEK HIKE INTO THE GIANTS

When: Friday 1:00-3:00pm

Where: Willapa NWR - Cutthroat Creek (3888 Highway 101 Ilwaco, WA) located north of mile marker 24 on Highway 101

Limit: 10

Cost: \$15

Description: Hike into the Ellsworth Creek Preserve in SW Willapa Bay. This is a 3.5-mile strenuous hike through an old growth Western Red Cedar and Sitka Spruce Forest to Ellsworth Creek. Along the way, Forest Manager Kyle Smith will share what The Nature Conservancy and the Willapa National Wildlife Refuge are doing to restore these lush forests.

- Participants meet at Willapa NWR - Cutthroat Creek parking area and carpool in 4x4 vehicles to Ellsworth Creek to begin their hike.
- Expect a strenuous hike (3.5 miles round trip) on uneven terrain in muddy, brushy, wet conditions but it's worth it to see these giants.
- Wear all-weather clothing and sturdy hiking boots.

Leader: Kyle Smith, Forest Manager at The Nature Conservancy

Wings Over Willapa Festival 2022

FEATHER RAKU POTTERY

When: Friday 2:00-4:00pm and Friday 4:00-6:00pm

Where: Brownlee Studio located at 4905 Sandridge Road Long Beach

Limit: 6

Cost: \$35

Description: Roll up your shirtsleeves and join clay artist Karen Brownlee to create your own pottery masterpiece. Participants will use bird feathers and a technique called raku to create a unique design on your very own clay pot.

Leader: Karen Brownlee, clay artist

Wings Over Willapa Festival 2022

LOOMIS LAKE BEACH WALK

When: Friday 2:00-4:00pm

Where: Loomis Lake State Park, 184th Place Long Beach

Limit: 20

Cost: \$35

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Long Beach is a popular spot for recreation, but it offers extra wonders for nature enthusiasts! Join naturalist Rebecca Lexa as she shares some of the secrets of the beach and dune ecosystems, and keep your eyes open for birds and other wildlife too. This hike will be about 2.5 miles round trip on uneven trail on the beach with loose or wet sand.

Leader: Rebecca Lexa, naturalist

YOUR SHOREBIRDS COUNT: AN OVERVIEW OF MANOMET'S INTERNATIONAL SHOREBIRD SURVEY

When: Friday 3-4pm

Where: Willapa NWR Refuge Headquarters, 7112 67th Place, Long Beach

Limit: 20

Cost: Free

Description: In 1974, [International Shorebird Survey](#) (ISS) was launched as a Citizen Science project designed to gather information on shorebirds and the habitats they use, with dedicated and enthusiastic shore birders across the Western Hemisphere conducting surveys during migration. ISS has documented observations of more than 100 million shorebirds over 100,000+ surveys. Compiled data used by scientists and conservation partners have been fundamental for population size and trend analyses and formed the primary data source documenting wide-scale shorebird population declines.

Wings Over Willapa Festival 2022

Lisa will talk about how ISS fits into Manomet's work with shorebirds, some of its interesting history, how shorebird enthusiasts can contribute data, and how ISS data has been used in shorebird science and conservation.

Leader: Lisa Schibley, International Shorebird Survey Coordinator for Manomet

KEYNOTE: NOAH STRYCKER, BIRDING WITHOUT BORDERS

When: Friday 6:30-9pm

Where: Columbia Pacific Heritage Museum, 115 Lake St SE, Ilwaco

Limit: 49

Cost: \$35

Description: The festival's keynote speaker is Noah Strycker. Noah is an author, entertaining and knowledgeable lecturer, and expert birder, who in 2015 set a new record for the World Big Year of birding, seeing 6,042 species in a single year!! His inspiring presentation about this epic quest will leave you with a new appreciation for the birds and birders of the world. Light refreshments and a drink are included with registration. A cash bar will also be offered.

Leader: Noah Strycker

Wings Over Willapa Festival 2022

SATURDAY September 24

BIRDING BASICS: FINDING FOCUS

When: Saturday 8:30-11:30am

Where: Willapa NWR Refuge Headquarters, 7112 67th Place, Long Beach

Limit: 15

Cost: Free

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: For beginners, identifying birds can seem overwhelming. Where do I start? What do I look at? Instinctually, most people gravitate toward noting the size and color of a bird. In this presentation at Willapa National Wildlife Headquarters and follow up field trip on Parker Slough Trail, professional bird enthusiast Ram Papish, will examine all the factors that aid identification.

Easy 1-2 mile walk on gravel trail with some small hills.

Leader: Ram Papish is a tour guide, naturalist, environmental educator, and wildlife illustrator.

BIRDING WITH NOAH STRYCKER

When: Saturday 9am-12pm

Where: Oysterville Road Beach Approach in Ocean Park, WA

Limit: 25

Cost: \$20

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Bird nerd Noah Strycker of Oregon became the first human to see more than half of the planet's bird species in a single, year-long, round-the-world birding trip. Imagine what you will discover on this adventure! Begin with a hike on the beach next to the mighty Pacific Ocean to see a variety of

Wings Over Willapa Festival 2022

shorebirds, gulls and raptors, and if lucky, a western snowy plover or two. Then you'll hop back into your cars and migrate over to the northern Leadbetter Point parking area on Stackpole Road. The hike will continue on Bay Loop Trail on Willapa NWR, which provides viewing opportunities for a diversity of shorebirds, waterfowl and passerines along the shoreline of Willapa Bay and through a shore pine forest.

- Washington State Discover Pass required for parking.
- Easy 2–3-mile hike on both wet and loose sand and a nature trail.
- Bring your favorite pair of binoculars and scope (additional spotting scopes will be provided).

Leader: Noah Strycker, Wing Over Willapa keynote speaker and Dawn Harris, Visitor Services Manager at Willapa NWR Complex

FOREST FOG HIKE

When: Saturday 10am-12pm

Where: Cape Disappointment State Park - Coastal Loop Trailhead on SR100 spur

Limit: 10

Cost: \$5

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Delve into Cape Disappointment's old-growth forests for a moderate 2 hour (2 miles) guided walk with Parks Interpretive Specialist Aaron Webster. Participants will discover how this forest is part of a complex global system that keeps us all alive. With views of the river, estuary and the surrounding forest, birding opportunities abound so bring your binoculars. Meet at the Coastal Loop Trailhead on SR100spur, right across from the Cape D. Cafe.

- Washington State Discover Pass required for parking area.
- Trail is rated as moderate. Participants must be able to walk on uneven terrain 2 miles round trip.

Leader: Aaron Webster, Interpretive Specialist at Washington State Parks

Wings Over Willapa Festival 2022

SHOREBIRD IDENTIFICATION

When: Saturday 10am -12pm

Where: Ocean Park Beach Approach on Bay Avenue in Ocean Park

Limit: 15

Cost: \$5

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Shorebirds, some no larger than a sparrow, are among Earth's great long-distant migrants. In autumn, witness a dazzling array of these birds as they make their way south from their Arctic breeding grounds. At first glance, all these little brown birds may look alike. But with a practice, you can identify different shorebird species like a pro. Join USFWS wildlife biologist Vanessa Loverti for a shorebird ID field trip and instruction to help you differentiate both local and migrant shorebirds by size, shape, color, and behavior.

Bring your favorite pair of binoculars and scopes (additional spotting scopes will be provided).

Leader: Vanessa Loverti, Regional Shorebird Coordinator for the US Fish and Wildlife Service

Wings Over Willapa Festival 2022

NATURE PLAY DAY

When: Saturday 10am-2pm

Where: Veterans Field 111 3rd St SE, Long Beach

Cost: Free

Description: Join this family friendly free event and take part in activities to learn about the diverse environment we live in here on the Long Beach Peninsula. Make your way through stations where you learn about the habitats and critters that live in them, get creative with recycled sculptures, build your own bird box, get your face painted and so much more!

Leader: Cheri Lloyd and Hope Presley, Visitor Services Specialist at Willapa NWR Complex

Wings Over Willapa Festival 2022

GLAZED AND AMAZED

When: Saturday 10:30 - 12:00

Where: Bay Avenue Gallery 1406 Bay Avenue, Ocean Park WA 98640

Limit: 10

Cost: \$30

Description: Ready to glaze bird themed ceramics. Bring your creativity and have fun glazing a nature mug of your choice. This is a fun filled class for all ages. The participant can use a multitude of glazes to either freestyle their artwork or use a combination of stencils and other tools. If you've ever wanted to create your own glaze design and learn the process, this is the class for you. Participants will glaze their choice of ceramic artwork during class, then it will be fired in the kiln that night and ready to be picked up the following day.

Leader: Sue Raymond, owner of bay Avenue Gallery

FREE MOVIES AT NEPTUNE THEATER

When: Saturday 11am-1pm

Where: Neptune Theater 809 Ocean Beach Blvd S, Long Beach

Cost: Free

Description:

Disneynature Wings Of Life 1 h 20 min

Narrated by Meryl Streep, this intimate and unprecedented look at butterflies, hummingbirds, bees, bats and flowers is a celebration of life, as a third of the world's food supply depends on these incredible – and increasingly threatened – creatures.

The Big Year – PG, 1h 40m

Staring Owen Wilson, Jack Black and Steve Martin.

Two bird enthusiasts try to defeat the cocky, cutthroat world record holder in a year-long bird-spotting competition.

Wings Over Willapa Festival 2022

LONG ISLAND EXPEDITION

When: Saturday 11am-3:30pm

Where: Willapa NWR - Cutthroat Creek (3888 Highway 101 Ilwaco, WA) located north of mile marker 24 on Highway 101

Limit: 49

Cost: \$25

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Join the staff of Willapa National Wildlife Refuge and Brian Atwater of the U.S. Geological Survey for an unforgettable expedition to Long Island, the largest estuary island on the Pacific Coast. Board the barge for a 40-minute voyage (each way) on Willapa Bay along the southern shoreline of the island. Arriving on the western side of the island near Smoky Hollow, you'll begin a 2-mile round trip hike to the Ancient Cedar Grove. This 274-acre grove is one of the last remnants of the old growth coastal forest once common in SW Washington. Some of the western red cedar trees in the grove are over 1,000 years old. Brian will recount how Long Island old growth helped confirm Japanese dating of a prehistoric Cascadia earthquake. Some of the western red cedar trees in the grove are over 1,000 years old.

- Participants must be able to walk on uneven terrain over a long distance (2 miles round trip). Trail is rated at moderate difficulty with some steep hills, exposed roots, etc.
- All participants **MUST BRING** and wear a Personal flotation device (PFD) on the boat. If you don't have a PFD, the Refuge will have some available.
- Wear all-weather clothing and appropriate footwear.
- Encouraged to bring water, snacks, binoculars, camera, and insect repellent.

Leader: Matt Lloyd, Deputy Project Leader at Willapa NWR and Brian Atwater, Scientist emeritus, U.S. Geological Survey and Affiliate professor, University of Washington

Wings Over Willapa Festival 2022

GET TO KNOW THE PEREGRINE FALCON

When: Saturday, 2-3 PM

Where: Willapa NWR Refuge Headquarters, 7112 67th Place, Long Beach

Limit: 20

Cost: Free

Description: The Peregrine Falcon is best known for spending time on the Endangered Species list, but did you know that peregrines win the prize for being the fastest animals on the planet? Glenn will cover Peregrine Falcon natural history and conservation as well as information from decades of field research on Washington's coastal peregrines by the non-profit organization Coastal Raptors.

Leader: Glenn Marquardt, Coastal Raptors

EVENING WALK & DINNER-BY-THE-SEA (SELF-GUIDED)

When: Saturday, September 24th 4:00-9:00pm

Where: You decide! Trails and dinner suggestions below.

Description: Explore the trail of your choice located either on the refuge or in the community! This is a self-guided opportunity, so you can choose where you would like to explore and end the day. Enjoy the sunset while eating dinner at one of our sponsors and mingling with other nature enthusiasts!

Suggested Trails:

- **South Bay Trail:** On-refuge, a 0.6-mile (one-way) hike that ends with an expansive view of Willapa Bay and newly restored tidal wetlands. Walk through a mosaic of habitats, from grassland to forest to estuary! Songbirds, raptors, shorebirds, and the occasional otter, elk or deer can be viewed here.

Wings Over Willapa Festival 2022

- Location: From Sandridge Rd, follow 95th Street east to end and parking area. Enter trail through the gate.
- **Parker Slough Trail:** On-refuge, a 1.5-mile (one-way) hike through seasonal freshwater marsh on one side, and tidal salt marsh on the other! Large flocks of migratory shorebirds, waterfowl, and soaring bald eagles can be spotted here. Learn more by reading our recently added interpretive signs posted along the trail.
 - Location: From Sandridge Rd, follow 67th Place east to end and parking area. Enter trail by following signs north.
- **Discovery Trail:** Off-refuge, a 8.5-mile (one-way) trail that offers walking and biking opportunities! It begins at the Port of Ilwaco and ends on the Long Beach Peninsula at 26th St N. Along this trail there are breathtaking views of the Pacific Ocean, North Head Light house, forest groves, and grassy dunes.
 - Location: There are multiple entry points between Ilwaco and Long Beach. Choose your own entry and distance!

Dinner Locations:

- **Adrift Hotel: Pickled Fish Restaurant** is located on the top floor of the hotel, directly overlooking the Pacific Ocean. Experience creative, fun, locally inspired cuisine. Sample cocktails, regional wines, and northwest brews.
 - Location: 409 Sid Snyder Dr, Long Beach, WA 98631
- **Lost Roo:** Stop by Lost Roo for casual American dining! They serve American food: burgers, seafood, and cocktails.
 - Location: 1700 Pacific Ave, Long Beach, WA 98631
- **Salt Hotel and Pub:** Enjoy simple handmade food, drinks, beer, wine, and a view of Ilwaco harbor. Excellent spot to start or end your walk along on the Discovery Trail.
 - Location: 147 Howerton Ave, Ilwaco, WA 98624
- **North Jetty Brewery:** Stop by this fantastically-fun location for snacks, appetizers, and craft beer. All beers are brewed on site by North Jetty Brewing.
 - Location: 4200 Pacific Ave, Seaview, WA 98644

Wings Over Willapa Festival 2022

SUNDAY September 25

LEADBETTER ADVENTURE

When: Sunday 8-11am

Where: Oysterville Road Beach Approach in Ocean Park

Limit: 10

Cost: \$10

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Join the staff of Willapa National Wildlife Refuge for an exciting journey to the tip of the Long Beach Peninsula along to Leadbetter Point. This is a wild place with limited human access that creates a sanctuary for wildlife, rare plants, hundreds of bird species, including the federally threatened western snowy plover and streaked horned lark. Bald eagles and peregrine falcons are often seen. Fall migration also brings dizzying concentrations of shorebirds to refuge shores. Participants will travel in 4x4 vehicles on the beach north from Oysterville Approach to the geographic tip of the peninsula. The guided tour will include opportunities for learning about the local ecology and ongoing habitat restoration activities.

What to know: Participants must be able to:

- Get in and out of four-wheel drive vehicles.
- To walk in loose beach sand and uneven terrain for short distances.

Leader: Will Ritchie, Wildlife Biologist and Kelsey Lotz, Biological Technician at Willapa NWR LeadbetterAdv2

Wings Over Willapa Festival 2022

ADVENTURES FOR YOUNG BIRDERS

When: Sunday 9-11am

Where: Seaview Beach Approach on 38th Place in Seaview

Limit: 12

Cost: \$5

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: This field trip, exclusively for young naturalists in Elementary or Middle school, will follow the path of the Long Beach Discovery Trail. A wonderful and easily accessible trail, the Discovery Trail traverses the coastal habitats of the Pacific Northwest home to a unique variety of birds. Together with experienced young birder, Rowan Young-McMurchie, participants will learn the basics of birding and techniques for identifying different bird species on an easy-to-moderate hike while seeing many birds and having fun along the way. Parents are welcomed and recommended with younger children.

- All walking abilities welcome. Paved, and unpaved areas of trail, generally an easy to moderate walk of 1-3 miles.
- We encourage you to explore eBird (<https://ebird.org/home>) before the field trip so you can either keep lists or just learn about eBird.

Leader: Rowan Young McMurchie

Wings Over Willapa Festival 2022

WILD LANDSCAPING

When: Sunday 10-11am

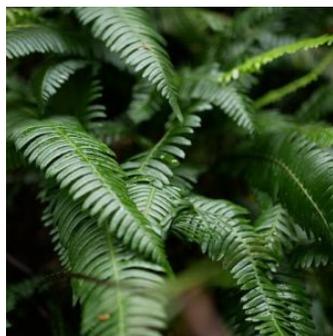

Where: Willapa NWR Refuge Headquarters, 7112 67th Place, Long Beach

Limit: 15

Cost: Free

Description: The plants you select matter when constructing landscapes for wildlife. Join Kathleen Sayce for a walk around the site to learn about what species are going where, and what the new office landscape will look like in years to come. Native plants will be featured to enhance insect and pollinator diversity, which improves habitat for birds and other wildlife. The wild lawn is a mix of naturally low growing grasses and perennials; all can take one fall mowing per year and thrive. For details and plant lists, come and tour the new site.

Leader: Kathleen Sayce, naturalist

SHOREBIRD IDENTIFICATION

When: Sunday 10am -12pm

Where: Ocean Park Beach Approach on Bay Avenue in Ocean Park

Limit: 15

Cost: \$5

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: Shorebirds, some no larger than a sparrow, are among Earth's great long-distant migrants. In autumn, witness a dazzling array of these birds as they make their way south from their Arctic breeding grounds. At first glance, all these little brown birds may look alike. But with a little practice, you can identify different shorebird species like a pro. Join USFWS wildlife biologist Vanessa Loverti for a shorebird ID field trip and instruction to help you differentiate both local and migrant shorebirds by size, shape, color, and behavior.

What to Bring: Bring your favorite pair of binoculars and scopes (additional spotting scopes will be provided).

SOUTH BAY Eco-Exploration

When: Sunday 10am-12pm

Where: Willapa NWR – Tarlatt located at the east end of 95th Street in Long Beach, WA

Limit: 20

Cost: Free

Birding in Pacific County Virtual Pass qualifying program! [Download](#) the pass and check-in during the program!

Description: The South Bay of Willapa NWR offers a variety of ecosystems within close proximity to each other. On this walk led by naturalist Rebecca Lexa you'll get to explore meadows, forests, tidal estuaries, and more! This will be a 2-mile hike on an easy gravel trail with one steep hill.

Leader: Rebecca Lexa, naturalist

Wings Over Willapa Festival 2022

WOODLAND STREAM NEEDLE FELTING

When: Sunday 11am-1pm

Where: North Jetty Brewery 4200 Pacific Way, Seaview, WA

Limit: 6

Cost: \$35

Description: Learn to 'paint' a beautiful woodland landscape with wool. Participants will learn basic skills and complete a landscape in a step-by-step workshop. This workshop is suitable for beginners, but also enjoyable for an experienced felter. Participants will leave with a beautiful work of art ready to be displayed. Included in Cost: printed diagram, two color-coded felting needles, felting wool, wool fabric backing, high quality 7-inch wooden hoop, and felting foam mat surface.

Leader: Cheri Lloyd
